

MARTHA'S KITCHEN SCHEDULE

Our religious education program has set up Martha's Kitchen for those students/athletes who aren't able to go home after their practices and eat supper before religious education instruction. Martha's Kitchen will begin on Oct 5th with two people on a shift. Please plan a light meal for ex: sandwiches, hot dogs, or taverns; chips, cookie or bar, and juice. It can be whatever you would like to serve. Please plan on preparing the meal, serving the meal, and cleaning up the kitchen. Gemars will have an account so you may charge items there. You might want to check the supplies already purchased from the week before, so you don't have an over abundance of food or paper supplies. Two packages of hot dogs and a loaf of bread will be in the freezer if you would need more food. Please plan for about 20 students and then you can adjust as you go along. The kitchen will be open at 6:00pm and will close at 6:45pm. Please close the kitchen windows at 6:45pm, since other students will be coming in for gathering/worship time at 6:45pm. Thanks again for volunteering. You are making a big difference in their lives!
