Dear Parents/Guardians,

Your child has expressed interest in becoming a Mass Server. If you would like your child to participate in this ministry, please check the options below that will work best for your child and your family.

Please return this slip next week so Father Joe Forcelle, our pastor, can set dates and times for the children to meet with him for practice. A note will go home with your child as to the specific date and time for practice. If you have any questions, please call Father Joe any time at 589-3504 or email him at pastor@stleochurch.com

Thank You

Religious Education Office
